Interesting Facts about the Holy Trinity

Is the Trinity the central mystery of the Christian Faith?

Yes. The Compendium explains: The central mystery of Christian faith and life is the mystery of the Most Blessed Trinity. Christians are baptized in the name of the Father and of the Son and of the Holy Spirit [CCC 44].

What is the Trinity?

The Compendium of the Catechism of the Catholic Church explains it this way:

The Church expresses her trinitarian faith by professing a belief in the oneness of God in whom there are three Persons: Father, Son, and Holy Spirit. The three divine Persons are only one God because each of them equally possesses the fullness of the one and indivisible divine nature. They are really distinct from each other by reason of the relations which place them in correspondence to each other.
